

## RD Certificate Number: EWW319C

### Tyvec Enercor roofing membrane

#### Description

Tyvec Enercor roofing membrane is a Roof Tile Underlay for use in warm non-ventilated and cold ventilated pitched roof systems.

#### Scope of Registration

A metallised polyolefin laminate for use as a roof tile underlay in warm and cold non-ventilated specifications. The product will prevent the ingress of wind-blown rain or snow.

#### Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 11/02/13 and is valid until 01/01/19 providing there are no amendments to applicable regulations.

**Issue dated** 24/03/2016
